

# Shipping Policy

## Shipping Policy

Effective Date: August 4, 2025

## Shipping Regions

OooWeeDeals.com currently ships orders to addresses within the United States only. We do not offer international shipping or ship to U.S. territories outside the 50 states.

## Shipping Carriers & Methods

We partner with UPS and USPS to deliver your orders. At this time, we offer standard shipping only, with estimated delivery times of 3 to 8 business days after your order has been shipped.

## Order Processing Time

Orders are typically processed and prepared for shipping within 1 to 3 business days from the date of purchase. Orders are not processed or shipped on weekends or holidays.

## Shipping Costs

Shipping rates are calculated at checkout based on your shipping address and the weight of your order. We do not offer free shipping promotions at this time.

## Order Tracking

Once your order has been packed and labeled for shipment, you will receive an email notification with your tracking information. You can use this link to monitor the delivery status via our shipping partner. We use Shippo to manage and track all shipments.

## Delivery Confirmation & Lost Packages

If your order is marked as delivered by the carrier but you have not received it, please take the following steps:

- Check around your delivery location (porch, mailbox, side doors, etc.).
- Ask neighbors or household members if they received it on your behalf.
- Wait 24 hours sometimes packages are marked delivered prematurely.
- Contact the carrier (UPS or USPS) directly to open a trace or investigation.

## **Shipping Policy**

We insure all shipments, but we do not accept responsibility for delays, theft, or delivery errors made by the carrier. If the carrier is unable to assist after 10 business days, you may contact us at [support@sayooowee.com](mailto:support@sayooowee.com) to report the issue. We will review your case and determine eligibility for further resolution.

### **Signature Requirements**

We do not require a signature for delivery. If you need additional delivery protections, we recommend contacting us before placing your order to request special accommodations (additional fees may apply).
